The After-Care Corner

If you haven't checked out the After-Care section of the PTO website, be sure to do so. You will find articles and pictures from last year, as well as additional information about the program.

I have asked my teachers to share how they feel about being part of this program. Ms. Mitchell has the following to say: "For the past three years, I have had the privilege of being a part of the PTO aftercare program. It's been a very rewarding experience and one that I treasure. Working with Jan Huff has been very inspiring to me because of her fierce loyalty and devotion as a volunteer (especially in light of the fact that all three of her boys have graduated and moved on from this school).

The team of certified teachers I work with are absolutely the best! We all bring our unique talents to the table for the benefit of your children. It's a joy to interact with them, whether we are tutoring or engaged in a game or conversation. Your children are valued by the teaching team and Mrs. Huff. There is rarely a dull moment and I don't expect there will be any time in the future. Thank you for entrusting them to us!"

We have several ACP options available: 5 days per week through 1 day per week. There is also a drop-in option. Rates are available on the PTO website in the After-Care section. Payments may be made by check, money order, cash or [Chase QuickPaySM](#).

If you are interested in participating in this program, please contact me at jmhuff3@yahoo.com.

I look forward to seeing you!
