Meyerland MS ACP and Morning Enrichment Payment Option

If you would like to send your ACP payments via your online bank, you can do so at any time. The Meyerland MS PTO runs the **After-Care Program** and **Morning Enrichment** and banks through Chase. Funds can be sent to the following email address:

jmsptotreasurer@gmail.com

****Important** - Whichever option you choose, please make sure to notate your child's name and month of payment**

Easiest Option! Chase Bank to Chase Bank – Set up a new Quick Pay Recipient as MMS PTO using the email address above (which is still tied to our bank, even though the school name has changed).

What is Chase QuickPay with Zelle?

Chase QuickPay® is now better together with ZelleSM. Zelle (formerly clearXchange) is a person-to-person payment service available to almost anyone with a U.S. bank account. Chase QuickPay® with ZelleSM gives you a faster, easier and more convenient way to send money to and receive money from customers at other member banks, such as Bank of America, Wells Fargo and U.S. Bank. For a current list of participating banks, please go to zellepay.com.

How do I enroll in Chase QuickPay with Zelle?

If you're a Chase customer with a Chase checking account or a Chase Liquid card, follow these steps to set up Chase QuickPay with Zelle:

1. Sign in to chase.com with your username and password.
2. Choose "Chase QuickPay with Zelle" from the "Pay & transfer" menu.
3. Read and accept the Chase QuickPay Service Agreement and Privacy Notice.
4. We'll send you a one-time code so you can verify your email address and/or mobile number.
5. Choose the checking account or Chase Liquid card you want to use. Start using Chase QuickPay with Zelle to send, receive and request money.

Do non-Chase customers have to enroll in Chase QuickPay with Zelle to use it?

Non-Chase customers should sign up with their bank's online person-to-person payment service or visit zellepay.com for more options. Non-Chase customers can also send and receive money directly through the Zelle app.
