The After-Care Corner

The After-Care Program (“ACP”) at JMS is a PTO-sponsored program – so all money goes right back to the PTO which benefits the school, as well as your children.

Hopefully you have been reading this section of the newsletter these past couple of months. The students who participate in ACP really love this program and are happy to share their enthusiasm. Just when you didn’t think it could get better, these children are sharing about the great food they get to eat for free! What could be better than that? (I want to include a shout-out to **Travis** – for making the delicious dinners for our ACP children!)

“It’s fun because I have friends here and there’s free food that tastes good. I like to play on the computers and I like to go outside.” – **Max Hueske**

“After Care is AMAZING. There are so many things I love about it! One is the fact we get to use the computers when we move to the library. Another is we get better food here than during lunch, and last but not least is if I ever need help I know I can ask my friends AND my teachers!” – **Louise Cohen**

“I like how it is right in the school so you don’t have to rush to get to a bus. I can get my homework done and hang out with my friends who also come. My parents need to work as well and that gives them extra time. At around 5:00 we go to the library. If we finish our homework, we can use the computers and phones. Plus we get free dinner!” – **Veronica Ostrin**

“I enjoy After Care because I get to finish my homework. I also like that I get to go outside and they give us food. One thing that I like the most out of everything is that we get to play on the computers.” – **Alyssa Perez**

We have several ACP options available: 5 days per week through 1 day per week. There is also a drop-in option. Rates and other information are available at <http://www.ptojms.org/after-care.html>.

If you are interested in participating in ACP, please contact me at jmhuff3@yahoo.com.

I look forward to seeing you!

Jan Huff
