The After-Care Corner

The After-Care Program (“ACP”) at JMS is a PTO-sponsored program – so all money goes right back to the PTO which benefits the school, as well as your children.

Now you might think that children would get bored in a middle school after-care program. Well, that is not the case here. I would like to share some testimonials from some of the students who agree with me.

“I like After Care because you can do your homework, then you have free time. When you get to the library, you can get on the computers to play games, research something and sometimes you could even go outside with one of the teachers. You can also play board games. So basically, you can never get bored here.” – **Amani Lafontant**

“After Care is not as boring as you might think. After we finish our homework, they let us do activities. They let us play video games get on the computers, go outside and play, and best of all they give us food.” – **Dalaney Gutierrez**

“I enjoy going to extended day because I can finish all of my homework. I also get to spend time with friends and go outside and play. It is a fun place to go after school.” – **Rishi Venkateswaran**

“I personally think that After Care is an awesome program. You get to do your homework and eat dinner or snacks. Around 4:30 or 5:00, we go to the library and play on the computers for 30 minutes to an hour. If you are reading this, come and join us. You will have tons of fun. ☺” – **Alexis Richard**

We have several ACP options available: 5 days per week through 1 day per week. There is also a drop-in option. Rates and other information are available at <http://www.ptojms.org/after-care.html>.

If you are interested in participating in ACP, please contact me at jmhuff3@yahoo.com.

I look forward to seeing you!

Jan Huff
PTO After-Care Program coordinator
