The After-Care Corner

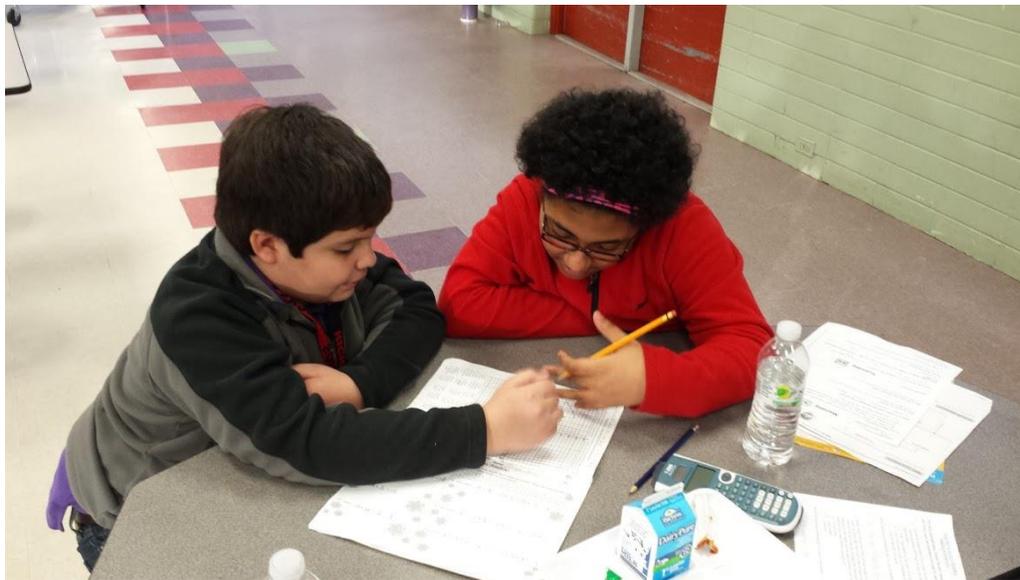

The After-Care Program (“ACP”) at JMS is a PTO-sponsored program – so all money goes right back to the PTO which benefits the school, as well as your children.

Hopefully you have been reading this section of the newsletter these past couple of months. I have included testimonials from the students who participate in ACP who really love this program and have been happy to share their enthusiasm. Now I’ve asked the parents to let me know how they feel and here are some of their responses:

One mom told me that her daughter who had been using the program on a “drop-in” basis likes it so much that she will now be coming every week. She told her mom that the other students are funny and the teachers who run the program are really nice!

Thank you so much JMS family for this wonderful program. It has been a big help for my husband and me. We don’t have to worry about Maddison’s safety and also we know that her homework will always be completed. Another great thing is that if your child has questions about homework - someone is there to assist them. **Bridget West**

Not only do the teachers help students with their homework, but students also help each other. It does my heart good to see this. Meagen Vershier is helping Jorge Flores-Diego here with his homework.

I’ve mentioned previously about how much the students enjoy the food that is served to them in our program. Even vegetarians can find something they like. Johnny Biondi is enjoying his green beans.

We have several ACP options available: 5 days per week through 1 day per week. There is also a drop-in option. Rates and other information are available at <http://www.ptojms.org/after-care.html>.

If you are interested in participating in ACP, please contact me at jmhuff3@yahoo.com.

I look forward to seeing you!

Jan Huff
PTO After-Care Program coordinator
