

DAILY SCHEDULE FOR VIRTUAL LEARNING

Students will participate in **synchronous** learning for the first 20-30 minutes of class. The remaining time will be devoted to independent work time and small group instruction. Teachers may pull additional small groups in the afternoons.

MPVA will operate on a Block Schedule Monday through Thursday and will operate on a straight schedule on Friday. This schedule will optimize the opportunity for students and teachers to review concepts taught and learned during the instructional week and provide students an opportunity to receive assistance on any assignments needed in all classes. Every Monday/Wednesday is a designated “Purple Day” and every Tuesday/Thursday is a designated “Grey Day”. Fridays are designated as “Greyhound Day”.

On weeks when a school holiday or teacher preparation day reduces the school week to four days, MPVA will dispense with Greyhound Day and follow a Purple Day / Grey Day / Purple Day / Grey Day schedule in order to maximize the instructional time available to students that week.

The first week of school we will follow the modified schedule described above as Labor Day falls on Monday, September 7, 2020.
